Chris and Joe,

Attached are our comments on the QAPP and the corrected/updated Appendix E. The pdf file that was submitted has been removed due to file size constraints. If you have any questions, please let me know.

Thank you,
Beverly

Subject: FW: Las Vegas Consolidated Draft Documents - QAPP

Hello,

Attached is the pdf and track changes Word file for the updated & consolidated QAPP document. Please use the attached comment resolution table file for your comments.

Let's try to have comments back on April 21th, or before, if possible. I will schedule a meeting for April 20th for us to work through the document and our comments.

Thank you,
Beverly

NOTE: When you open a WORD document and there are a lot of blue lines underlining words, "Queen's English", go to: File>Options>Proofing and uncheck the box that says "Mark grammar errors as you type"

Subject: Las Vegas Consolidated Draft Documents

Beverly,

Yesterday, at 4:35PM on 4/13/2017, we transmitted via thumb drive to you, the draft consolidated Las Vegas Documents that included the SAP, QAPP, and HASP. These documents have been revised based on input received during meetings with you, Alex Baer, and Christine May-Matthews.

The documents included:

Name	Date modified	Type	Size
 2017_04-13_EPA-LV-EDDP-P2-Sup 010_QAPP_R4_Draft.doc	4/13/2017 1:46 PM	Microsoft Word 97 - 2003 Document	2,622 KB
 2017_04-13_EPA-LV-EDDP-P2-Sup 010_QAPP_R4_Draft.pdf	4/13/2017 2:56 PM	Adobe Acrobat Document	20,300 KB
 2017-04-13_EPA-LV-EDDP-P2-Sup 009_SAP Text_R4_Draft.docx	4/13/2017 1:31 PM	Microsoft Word Document	261 KB
 2017-04-13_EPA-LV-EDDP-P2-Sup 009_SAP Text_R4_Draft.pdf	4/13/2017 3:01 PM	Adobe Acrobat Document	27,347 KB
 2017-04-13_EPA-LV-EDDP-P2-Sup 011_HASP_R4_Draft.docx	4/13/2017 2:01 PM	Microsoft Word Document	303 KB
 2017-04-13_EPA-LV-EDDP-P2-Sup 011_HASP_R4_Draft.pdf	4/13/2017 2:40 PM	Adobe Acrobat Document	5,119 KB

When viewed in “No Markup” mode, the documents appear to be clean and without artifacts of the review process. However, when viewed in “All Mark Up” mode, the documents show the tracked changes. I believe that the “Queens English” artifacts we are viewing in the QAPP is a result of this document being created in MS Word 97 (thus the “.doc” file name instead of “.docx”).

The next revision of these documents will be noted as Revision 5 (“R5”). Once all changes are accepted and the file names changed, the “track changes” should disappear as well.

Please don’t hesitate to contact me if you have questions regarding the attached.

Best regards,
Chris
